## Minutes of the June Meeting

Fred Nachbar opened the meeting with an introduction of Bill Churchill.

Bill gave an excellent presentation on modifying tools and making home-made tools.

### BUSINESS

- There was discussion about the newsletter. The back page will have the classified ads printed on it. Everyone agreed that the newsletter is fantastic. Great Job Andy! ( Thanks guys, I needed that)
  - The next meeting will be in September at the Tacoma Tandy store. Bill Reis will be here to address the group.
  - A reminder to enter the Fair. Everyone enter at least 1 item. Entries can either be dropped off at Tandy Tacoma, Burien, North Seattle or taken directly to the Fair. Fred Nachbar suggested a disclaimer form should be printed up for Bill Churchill to be able to pick up entries and take them to the Fair.(see page 2).
  - Bill has a source for getting a deal on printing 2-color cards for business. 600 cards for \$30.00
  - Andy Stasiak promoted making a leather portfolio. An absolute boon to your business.

  - Bill brought up the wholesale lists. ( We are working on them, hope to have something ready by Sept.)
  - Get prepared for the shows for next year. Have a great summer!
- Meeting adjourned.

The September meeting will be held at Tandy Tacoma the date to be announced as soon as we get confirmation on the dates that Bill and Dot Reis will be in town

## EXCUSES

This newsletter is short and to the point, but then I only print the information that you folks send me.

I do apologize for this newsletter being as late as it is, however, Jan and I have moved, well sort of. We vacated our old house and can't take possession of our new house until September. For now all our belongings are in storage and we are living in our motorhome, you would be surprised what you can fit into 31 feet. Our phone # will be the same, however until we get into our new house we only have remote voice mail. Our mailing address is P.O. Box 107, Mukilteo, WA 98275-0107

## PUYALLUP FAIR

Fair Dates: Sept. 8th. - 24th.

*Enter your projects no later than August 15, 1995!!!!!!!*

You can drop your entries off at Tandy Leather Stores, Aurora, Burien or Tacoma.

See page 2 for further info.

## POINT OF INTEREST

Rather than changing the color of your finished product with a stain or antiquing, set it in a south facing window for a day or two and let the sun give your project a real mellow look. Do this before you apply a finish sealant. you will be surprised what mother nature can do for you.
